Secretary (National Security)
Department of the Treasury
Washington, D. C. 20220

Dear Doug:

I should like to express my appreciation to you and to all your people who were involved in the preparation of the Congressional Justification Books for the Consolidated FY 1986 NFIP Budget. I should particularly like to thank Art Long and Pamela Pontillo for their efforts which enabled us to develop a well-structured Treasury Justification Book.

The outstanding performance and cooperation of your people in this effort were major factors in meeting the Congressional submission date.

Sincerely,
